

Staff Impression

He is an extrovert and very talkative. He is well-liked and gives the impression of being both kind and caring.

Appearance: The donor has very blue eyes and nice blond hair. His lips are big and full – he is indeed a very handsome guy and also has an athletic build and broad shoulders.

Always enjoys staying a few extra minutes to talk. He seems very smart and well-dressed as well, and has thought a lot about becoming a donor.
